Harbor Freeway (I-110) Lane and Ramp Closures Scheduled for Pavement Rehabilitation

CARSON— The California Department of Transportation (Caltrans) will close the northbound Harbor Freeway (I-110) Sepulveda Boulevard off-ramp beginning Friday, August 10 at 10 p.m. through Saturday, August 11 at 5 a.m. Three lanes of northbound I-110 at Sepulveda Boulevard will also be closed during this time.

Closures are part of a \$39.5 million pavement rehabilitation project, which also includes upgrading guardrail, loop detectors, and curb ramps. All American Asphalt of Corona, CA is the contractor on this project, which is anticipated to complete January, 2021.

Caltrans reminds motorists to “Be Work Zone Alert” and “Slow for the Cone Zone.”
